

8 November 1950

STATOTHR

General Donovan has been good enough to forward your interesting letter of 31 October 1950 to me, and I believe he has informed you of this reference.

I am in turn forwarding it on to the proper people for processing and you will hear officially from them.

Your interest and offer to serve on behalf of yourself and Mr. Isarasenna are much appreciated.

Very truly yours,

LAWRENCE R. HOUSTON
General Counsel
